Dear Ms. Khan and Ms. Corbett--

I just wanted to check to make sure you can both be here on 11/8, Monday, if the case does go forward. As of now, I expect that it might be a trial. We've got a call into the defense counsel to make sure he's ready, and I'll let you know if anything changes. Please let me know ASAP if you won't be available for some reason.

Thanks so much for all your help.

Best,
Joe

Thanks for the update. I will inform Kate.

No apologies needed. Hope you had a nice time off.

I have a few cases starting that week. I will email you my schedule of Thurs. I will coordinate with my other cases, if needed

Hi Annie,

I'm sorry for the late notice, but I thought the Yarmouth Police Department notified you that the [REDACTED] case got moved to 11/8 to accommodate a witness who needs an interpreter. I was under the impression that date was okay with you. I apologize for any confusion, but I actually just returned from some time out of the office this evening. If that date doesn't work for you, please let me know. I will try to talk to defense counsel again to see if he will stipulate. Thanks for all your help.

Best,
Joe
